

**REMARKS**

This Amendment is being submitted as a supplement to the Amendment filed August 25, 2008 at the Examiner's request.

Claims 1, 8 and 9 are amended to further define the cyclic groups in each of the claims. Support is found, for example, at page 18, lines 23-28, and page 23, lines 10-12, of the specification.

Claim 21 is amended by replacing "R2" with "R<sup>2</sup>" merely for editorial purposes.

The specification is amended to correct an obvious error.

No new matter is presented.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

/Sunhee Lee/
